

Ferraris in the 2019 Kissimmee and Scottsdale Auctions By Rick Carey

There were nearly 3,500 cars at Mecum's monster Kissimmee auction in January, a ten day Lollapalooza that offered something for everyone and any size pocketbook.

There appear to have been 28 Ferraris in total; 21 of them were observed and noted in detail.

Here are the transaction reports from Kissimmee.

.....

That's not an oversight. There is nothing to report. Over four weeks after the last hammer fell in Kissimmee, Mecum has yet to provide a detailed list of results.

Out in Scottsdale a week later it was a different story. Barrett-Jackson turned a complete, detailed results list around in three days. RM Sotheby's, Gooding & Co., Worldwide and Bonhams posted their results on their websites, usually in real time. Russo & Steele is the outlier here where there is only a summary total without a breakdown for individual transactions.

2,532 of 2,916 vehicles offered in Scottsdale were sold, bringing in a total of \$247,932,820, up 6.5% from last year and an 86.8% sell-through rate.

85 of Scottsdale's vehicles were Ferraris. 71 of them sold, 83.5%, for a total of \$45,276,290; 18.3% of the Scottsdale total, up a point from last year's 17.3%. The value of the median Ferrari transaction increased substantially, to \$212,800, up 33.4% from last year's \$183,700 median.

Fourteen Ferraris brought high bids of \$1 million or more. Eight of them sold for a total of \$30,592,500, accounting for 63.2% of all million dollar transactions in Scottsdale.

And a Ferrari again topped the Scottsdale transactions with Gooding & Company's sale of 250 GT SWB Berlinetta S/N 4037 GT going for \$7,595,000. Gooding also sold 250 GT Tour de France S/N 1037 GT for \$5,890,000 and 250 MM Series II S/N 0348 MM for \$5,395,000.

RM Sotheby's would have captured the top spot if the sale of the Lilian de Rethy 250 GT SWB Pinin Farina Coupe Speciale S/N 0715 GT had closed at or above its reported high bid of \$7.5 million, but close counts only in horseshoes and hand grenades.

It was a difficult year for expensive cars in Scottsdale. 30 lots had hammer bids of \$1 million or more. 17 of them sold bringing a total of \$46,935,000. Two were charity sales at Barrett-Jackson, the first production 2020 Toyota Supra (sold to a Toyota dealer for \$2.1 mil-

lion) and the first 2019 Ford GT in Heritage livery sold for \$2.5 million.

Of the 28 non-charity lots, just 15 sold, a 53.6% sell-through. The no-sales had total hammer bids of \$36.9 million, barely less than the \$42,335,000 sold total, which includes buyer's premium and is about \$38.4 million in total hammer bids, just \$1.5 million more than the successful bids.

Farther down the value scale sales were more plentiful even though prices were muted with the expected winners and losers.

The individual Scottsdale transaction reports follow. More extensive auction reports can be found on rickcarey.com.

Scottsdale - The V-12 Cars

250 GT LWB BERLINETTA, S/N 1037 GT (1958).

Red with cream leather. Estimate \$5.75 million to \$6.5 million. Older restoration, 2- condition. Hammered sold at \$5.35 million plus commission of 10.09 percent = final price of \$5.89 million. Single-sail panel louver, covered Marchal headlights and fog lights, bright front fender vents, outside fuel filler. Delivered new to Venezuela and driven to 2nd place in the 1958 GP of Venezuela. Restored in the 1990s. Classiche Red Book certified. Despite the age of the restoration its condition is nearly impeccable, with quality paint, flat panels, even gaps and flush fits. An outstanding Ferrari with a superbly maintained older restoration. This is a complete, desirable, Classiche certified 250 GT TdF and even has a spare engine. It is a sterling value at this result. Lot # 028. Gooding & Company.

250 GT PF COUPE, S/N 1315 GT (1959). White with black leather. Estimate \$600,000 to \$700,000. Visually maintained, largely original, 3- condition. Hammered sold at \$540,000 plus commission of 10.93 percent = final price of \$599,000. Borrani wire wheels, woodrim steering wheel, original books and tools. Two owners from new. Rough older repaint with heavy cracking. Some major chip repair is evident and there are excessive unrepaired flakes on rear lower valance. The wheels are heavily oxidized. The front bumper was polished and shows well, as do the headlight surrounds. The other trim is notably oxidized. The original interior is aged but fair. The windshield glass is starting to delaminate in front of the driver. The underbody looks a little rusty and oxidized with some minor rot issues pos-

sible. The engine bay is dirty, but no excessive leaks or issues evident. Original other than a repaint, it's a decent but not quite ideal candidate for restoration. There was a time when these handsome Pininfarina coupes were cut apart and turned into Testa Rossa replicas, but no more. The result here recognizes both the car's condition and its desirability. It's not going to be rebodied, that's for sure, and unusually for a Gooding auction it doesn't appear to have any originality premium despite its extensive preservation. Lot # 153. Gooding & Company.

330 GTS, S/N 10773 (1967). Dark red with black leather. Estimate \$2.2 million to \$2.5 million. Cosmetic restoration, 3+ condition. Hammered sold at \$1.825 million plus commission of 10.27 percent = final price of \$2.012 million. Borrani wire wheels, Michelin XWX tires, Blaupunkt multiband radio, power windows, air conditioning. Old undercoat in the wheel wells. Good older paint, chrome and interior showing negligible use or age. Good gauges and dash but scratched power window switch escutcheons. Classiche Red Book certified. Represented as 33,766 km from new, repainted in the mid-90s and thoughtfully preserved since. For a 330 GTS that has never been restored and went through the early 1980s anguish of being stolen from Paris and then fraudulently sold in Florida this is one heck of a car and worth every dollar of the moderate price it brought. Lot # 142. RM Sotheby's.

330 GTC, S/N 11517 (1968). Giallo Fly with black leather. Estimate \$600,000 to \$800,000. Older restoration, 2+ condition. Hammered sold at \$620,000 plus commission of 10.81 percent = final price of \$687,000. Borrani wire wheels, Michelin XWX tires, AM-FM. Prize-winning Norbert Hofer restoration, excellent Junior Conway fly yellow paint, chip guarded nose, good plating on chrome, rubber and glass without fault, oddly dull black leather interior. 2005 Cavallino Classic Platinum, Pebble Beach in 1998. Classiche certified. Sold by Christie's at Pebble Beach in 2003 for \$156,000, then by Gooding in Scottsdale in 2010 for \$374,000, and by Gooding at Pebble Beach in 2013 for the outlier price of \$946,000, a staggering example of price inflation of 330 GTCs that has moderated recently to reach this appropriate result. Lot # 163. RM Sotheby's.

365 GT 2+2, S/N 13139 (1969). Amaranto with black leather. Estimate \$175,000 to \$225,000. Visually maintained, largely original, 2- condition. Hammered sold at \$177,500 plus commission of 12 percent = final price of \$198,800. Borrani wire wheels, Eagle GT tires, ANSA exhaust, woodrim steering wheel, Blaupunkt pushbutton radio, air conditioning, power windows, tools, jack, Massini documented. Mostly original paint with several small cracks below the left A-pillar and another at the bottom of the hood. Good chrome. Very good older original interior. Slight dullness to the wheels. The exhaust looks a little rough but the car is mostly tidy underneath. An unrestored but maintained and attractive 'Queen Mother' Ferrari. Purchased by the seller for \$144,500 at Bonhams Quail Lodge in 2007. This isn't much of a return, especial-

ly given the changes in the vintage Ferrari market since 2007. From the perspective of the seller, though, project car money was paid for a commendably preserved mostly original example. Lot # 026. Bonhams.

365 GTB/4, S/N 14279 (1971). Giallo Fly with black leather. Estimate \$675,000 to \$750,000. Older restoration, 3+ condition. Not sold at hammer bid of \$600,000. Alloy wheels, Michelin XWX tires, popup headlights, Becker Mexico cassette stereo, Veglia air conditioning, power windows, Marelli ignition boxes. Very good repaint, even gaps and flush panel fits. Comfortably stretched upholstery. Good chrome and glass. Older underbody undercoat. The orderly but aged engine compartment with some peeling old paint houses an uprated engine estimated at 400 hp. In early 2019 this is an entirely reasonable offer for a Daytona, even one as well-equipped as this, in this condition. The market for Daytonas isn't what it once was, there are plenty available and supply and demand still works. It would have been reasonable for Worldwide to take the reported high bid (if it came from a money bidder) and share some of the BP with the seller to make the deal work. Lot # 30. Worldwide Auctioneers.

365 GTB/4, S/N 17607 (1947). Black with dark red leather, black strips. Estimate \$575,000 to \$675,000. Visually maintained, largely original, 3 condition. Hammered sold at \$520,000 plus commission of 10.96 percent = final price of \$577,000. Cromodora alloy wheels, Michelin XWX tires, painted nose panel, popup lights, Grundig cassette stereo, power windows, Veglia air conditioning with dash-mounted control panel, accessory volt and outside temperature gauges, headrest seats. One owner until 2014 and 85,172 km from new, the fifth from last Daytona built. Engine and gearbox replaced years ago. Good chrome, interior and quality new paint. Old undercoat in the wheelwells. Clean but disturbing under the hood with incorrect air cleaner cover nuts and bad wiring repair with crimped connectors and exposed conductors. The bottom of the engine compartment and chassis are road grimy. Nice paint, but the rest isn't up to its standard. Classiche Red Book certified. Sold by Bonhams at Goodwood in 2014 for \$612,406. Then sold by Gooding at Pebble Beach in 2015 for \$715,000. It has added only 55 kilometers to the odometer since then but lost \$38,000 in market value at this result, about in line with Daytonas' track record over the past 3 1/2 years. Lot # 124. RM Sotheby's.

512 BBi, VIN ZFFJA09B000043859 (1982). Rosso Corsa with tan leather. Estimate \$250,000 to \$325,000. Unrestored original, 2 condition. Hammered sold at \$210,000 plus commission of 12 percent = final price of \$235,200. Alloy wheels, Michelin TRX tires, leather-wrapped steering wheel, Pioneer CD stereo. Showing 4,895 km and represented with a recent engine-out service. Subtle delamination on the left side of the windshield. Flawless, well-kept paint. Very good interior. All the plastic is bright. About as close to a new BBi as can be found. The new owner should be happy as well as with the price paid for it, a modest one considering its low miles and careful preservation. Lot # 064. Gooding & Company.

TESTAROSSA, VIN ZFFSG17A9J0078188 (1988).

Red with beige leather. Not viewed, notes from the catalog. Hammered sold at \$200,000 plus commission of 10 percent = final price of \$220,000. Stated to be less than 1,000 miles with a belt service in 2015 at 971 miles. Sold by RM Sotheby's at Amelia ten months ago for \$168,000 where it was described thusly: "Barely stretched driver's seat cushion upholstery, otherwise like new with 992 miles and still riding on the original tires." Lot # 1348. Barrett-Jackson.

TESTAROSSA, VIN ZFFSG17A5K0080179 (1989).

Red with beige leather. Estimate \$250,000 to \$300,000. Not viewed, notes from the catalog. Hammered sold at \$197,500 plus commission of 12 percent = final price of \$221,200. Air conditioning, window sticker documented. Stated to be less than 150 miles from new. Belt serviced in 2012. Sold by RM at Monterey in 2012 for \$264,000 when it was described: "As new in every possible way. Stored in a climate controlled collection from the day it was purchased, the Ferrari retains all tools, books, and even the original paper mats used to protect the carpet." It seems to have depreciated about \$6,000 per year since then. Lot # 032. Gooding & Company.

F512M, VIN ZFFVG40A0S0100380 (1995).

Rosso Corsa with beige leather. Estimate \$325,000 to \$375,000. Unrestored original, 2 condition. Hammered sold at \$320,000 plus commission of 11.56 percent = final price of \$357,000. Modular wheels, Michelin tires, power windows, air conditioning. Two owners, the present owner since 1998, and 24,487 miles. Religiously maintained with belt services every five years, the most recent being two months ago. Essentially impeccable with only slight stretching on the driver's seat and a lightly scuffed seat bolster. The engine compartment and underbody are like new. It would not have been unrealistic to see this exceptionally well-maintained example of the ultimate Testarossa variation bring more than the result here, but in the end the transaction is fair to both parties. Lot # 261. RM Sotheby's.

**456 GTA, VIN ZFFWP50A7W0110808 (1998).**

Blu Pozzi with tan leather. Estimate \$45,000 to \$65,000. Unrestored original, 3 condition. Hammered sold at \$44,000 plus commission of 12 percent = final price of \$49,280. Ferrari stereo, black calipers, 5-spoke alloy wheels, Michelin Pilot Sport tires, air conditioning. Other than a few little nose stone chips and some wear on the driver's seat this is a clean, orderly, used car with only 19,114 miles but without any service history offered. A quick, practical, front-engined V12 with 442 horsepower and an original price of a quarter million dollars, depreciation (and subsequent more powerful and sophisticated models from Ferrari) have depressed prices to this level, a Ferrari for the masses, with room for kids in the back. The automatic? Well, it's electronically controlled and as quick as the 6-speed, not to mention being ideal for commuting in heavy traffic. This result is reasonable, if a little generous considering the lack of service data. Lot # 113. Bonhams.

575MMARANELLO F1, VIN ZFFBV55A730133420

(2003). Grigio Ingrid with tan leather. Estimate \$110,000

to \$130,000. Unrestored original, 2- condition. Hammered sold at \$100,000 plus commission of 12 percent = final price of \$112,000. Alloy wheels, Potenza tires, all the bells and whistles. A handful of chips on the nose and mirrors but mostly very good paint. Very good interior. Not perfect and could be better given the 5,900 miles represented, but a pretty car. The Grigio Ingrid paint on this car may be rare, but some colors are rare for a reason and it's not to everyone's taste, which may partly explain the price here and the similarly modest \$110,000 it brought at Mecum Monterey in 2015. Lot # 049. Bonhams.

SUPERAMERICA F1, VIN ZFFGT61A450144238

(2005). Rosso Corsa with tan leather. Estimate \$350,000 to \$400,000. Unrestored original, 2 condition. Hammered sold at \$307,500 plus commission of 11.63 percent = final price of \$343,250. Ferrari modular wheels, Bridgestone tires, climate control, power windows and Daytona seats, red calipers, SF shields, Ferrari CD stereo, Fiorano Handling Package, original window sticker documented. 8,755 miles and like new although a little dusty under the hood. Sold by Auctions America at Santa Monica in 2016 for \$385,000 and suitably marked down for the ensuing two and a half years and a few miles. Lot # 266. RM Sotheby's.

**F12tdf, VIN ZFF81BFA3H0224226 (2017).**

Grigio Titanio with blue leather, blue-gray Alcantara. Estimate \$950,000 to \$1.1 million. Unrestored original, 2 condition. Hammered sold at \$910,000 plus commission of 10.55 percent = final price of \$1.006 million. Manettino steering wheel, carbon fiber interior trim, front fender ducts, splitter, sills and diffuser, SF shields, yellow calipers, air conditioning, Ferrari stereo. One owner, 280 miles, generously optioned (to the tune of \$90K) and maintained like new, because it is and it is still under the Ferrari maintenance program until 2023. Breathtakingly powerful with 769 naturally aspirated horsepower and featuring sexy details like rear wheel steering to make it behave like a more nimble competitor. Only 799 were built and this one is buried in options, although many of them are carbon fiber bits meant to reduce weight. Still, it was about \$500K new, making this result a serious price to pay for exclusivity. Its low miles are perhaps the result of its breathtaking performance where 280 miles might be all a driver could experience before concluding, "This is more car than this driver can handle." Someone at the Arizona Biltmore was ready to take on the challenge, though, as this handsome price endorses. Lot # 144. RM Sotheby's.

LAFERRARIAPERTA, VIN ZFF86ZHA2H0224581

(2017). Nero Daytona with black, red. Estimate \$6.5 million to \$8.5 million. Unrestored original, 2+ condition. Not sold at hammer bid of \$5.5 million. Chipguarded nose, car cover, carbon fiber trim and roof panel. Excellent condition inside and out, as it should be given that it's a two-year-old LaFerrari with 1,500 miles. The only LaFerrari, closed or open, in the Scottsdale auctions. People are still trying to figure out what they're willing to pay for an open-top Ferrari with 949 hybrid-enhanced horsepower but \$5.5 million seems about right. Lot # 154. RM Sotheby's.

1959 Ferrari 250/500TRC (DK Engineering) Titled as a 1962 Ferrari 250 GTE

F40 Motorsports is proud to offer this very rare DK Engineering 250/500 TRC (TR83). S/N 2423 was originally converted from a 250 GTE 2+2 Series I LHD into a 250/500 TRC by David Cottingham himself - this of the DK Engineering Fame, in the 1980s. It retains its original title as a 250 Ferrari, and is an absolutely stunning example of true old world craftsmanship and unsurpassed quality. This fine TRC has been owned by only a handful of the most discerning automobile collectors. Eligible for historic events as well as the Copper State 1000 and Colorado Grand to name a couple. The last DK Engineering car came up for sale three years ago.

A unique opportunity to own one of the most beautiful, rare, and most sought after David Cottingham TRs. It is stunning and ready to go. You won't find another like this, and it's here at F40 Motorsports for your viewing.

From the book (Dan Gurney): "We ran with some of the slower prototypes, but we had no instructions to go as fast as we could. I don't know what it could have done going flat out. There was always a stigma attached to the roadster; you could never win overall -- I don't care how much of a virtuoso you were.
